

**FAMILY & CHILDREN'S SERVICES, INC.
GRIEVANCE POLICY**

WHO MAY FILE A GRIEVANCE: Any client of Family and Children's Services (FCS) or any person interested in the welfare of a client (e.g., relative, foster parent) may file a grievance.

WHAT IS A GRIEVANCE: Clients have the right to file a grievance when they think there has been an infringement of their client rights.

WHEN A GRIEVANCE MAY BE FILED: It is important that grievances be filed as soon as possible to enable timely resolution. A grievance may be filed with FCS or with any of the four agencies listed below.

HOW TO FILE A GRIEVANCE: Your grievance may be taken by obtaining a Client Grievance Form from any staff member. Write your grievance on the form and include your proposed resolution of the problem. Sign the form and return it to any supervisor. You may request assistance from the FCS designated Local Advocate in completing the form and filing the grievance.

CrisisCare Center Clients: Within three (3) days after your grievance is received, an attempt will be made, with your participation, to resolve the problem. You will receive a written response of the resolution.

All Other Clients: Within fourteen (14) days after your grievance is received, an attempt will be made, with your participation, to resolve the problem. You will receive a written response of the resolution.

You have the right to file a grievance, to receive a written response to your grievance and to appeal if you are not satisfied with the response. If any person attempts to deny you these rights or penalize you for filing a grievance, contact the ODMHSAS Consumer Advocacy Division, Office of Juvenile Affairs (OJA) Office of Advocate General, DHS Office of Client Advocacy, or the OHCA Grievance Docket Clerk.

For more information about the grievance process, please ask for an FCS Local Advocate or Angela Adamy, Director of Accreditation, Certification, & Regulatory Compliance.
